

Our Doors are Open!

Perhaps you have not been to Kanata United Church before. You may be searching for spiritual guidance and support.

You wonder what we are like,
and whether you would fit in
if you started coming here regularly.

Will your needs be met?

Will we recognize the talents and
skills you could offer?

There are brochures in the rack near
the front door that will tell you about:

- how to become a member
- how to have a child baptized
- how to become involved in our church family.

Drop by for a chat at the Welcome Table any
Sunday morning. Or just strike up a
conversation with anyone here,
if you feel comfortable doing that.
Most people are friendly and helpful,
but many are too shy to ask if you are new.
